Atlantis Submarine

Journey to Chankanaab

Chankanaab is home to a huge variety of sea life until now only seen by divers. Your dive adventure begins aboard a ferry vessel that cruises for 10 minutes along the west coast arriving at Chankanaab where you are transferred to the Atlantis submarine where you will be able to view this underwater paradise in absolute comfort.

Marvel at the parrotfish, grunts & groupers as your pilot expertly navigates through 30 foot coral heads, then start going to deepest waters reaching 100 ft. throughout your voyage an informative live narration is provided by the co-pilot happy to answer any questions that you may have. You will not want to forget your cameras for this once in a lifetime experience.

Complimentary Rum or Fruit punch will be served.

***Restrictions:** Childs must be 4 years old and 3ft tall. Guests with walking or movable disabilities can participate if they can make the walk inside the submarine on their own.*
